BRACTEANTHA DREAMTIME™ JUMBO WHITE^(D)

Bred by in Australia by Bonza Botanicals, this exceptional variety joins **Bracteantha Dreamtime™ Jumbo Yellow** in the Impressions™ range of quality perennial and landscape plants available in 125mm pots.

This hardy Australian native produces large flowers on compact plants that reach approximately 30cm tall and 30cm wide. It has pure white petals surrounding centres that turn bright yellow upon maturity.

Bracteantha Dreamtime™ Jumbo White is ideal for borders, pots, garden beds, and fresh and dried floral arrangements.

DELPHINIUM PACIFIC GIANTS™ BLACK KNIGHT

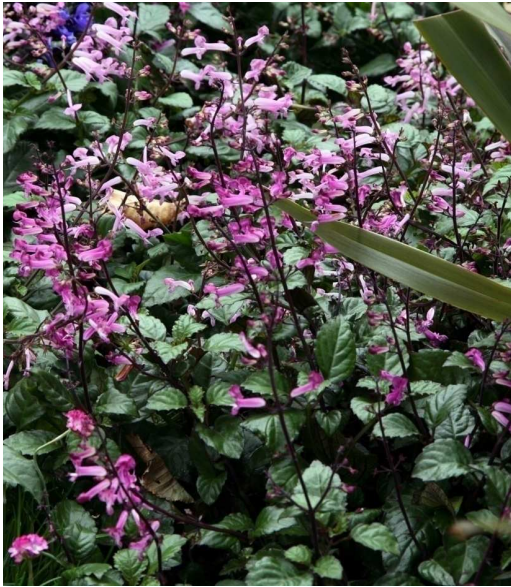

A popular perennial for cottage gardens, borders, spot planting and cut flowers. **Black Knight** has stunning spires of blue flowers that appear within the first year of growth and that reach 120-180cm tall.

Black Knight prefers a full sun to part shade position, and a soil with good drainage.
