For Publication in Autumn/Winter 2005

Pansy Miss Lou Lou

Floriana only grow pansies that make the most of nature's best assets with better flowers, better colour and better form . . .

Reaching just **20cm** high this little Miss produces flowers up to **6cm across** within 6 to 8 weeks of planting.

An excellent choice for borders or dainty patio pots.

Pansy Miss Lou Lou is available in the **Natural Beauty** range from March 2005 at **R.R.P. \$4.95**.
