Double the fun – half the water

Petunias are now double the fun with all the frilly new double petunias from Floriana. All are great summer performers to add a double splash of colour to garden beds or patio pots. And what's more, once established, these Floriana double petunias need very little water to look good.

So put double the fun into your garden with these great colour mixes that are also low on water. Try Petunia Ribbons and Bows, Petunia Dainty Double, Petunia Pirouette and Petunia Double Victorious. Available nationally in the Natural Beauty range of seedlings from Floriana. RRP \$4.50.
