

New Flower Releases

Autumn 2004

(for publication in Autumn/Winter 2004)

This season there's a modern take on the old favourite pansies and violas with a beautiful array of fashion colours and improved breeding.

Pansy Giant Sunrise

Giant flowers in gentle lemon, shadowy mauve and cream. Improved breeding has meant blooms can **grow up to 10cm across** and are **wet weather tolerant** so will maintain their form well after rain.

Range: Perfect for Pots
RRP: \$5.50
Available: Vic, NSW, ACT, Qld from March

Pansy Giant Marina

Giant flowers in seaside colours of blue, white and the palest of yellow evoke images of vast summer seas and endless sandy beaches. Improved breeding has meant blooms can **grow up to 10cm across** and are **wet weather tolerant** so will maintain their form well after rain.

Range: Perfect for Pots
RRP: \$5.50
Available: Vic, NSW, ACT, Qld from March

Pansy Luxe

The rich opulence of Pansy 'Luxe' provides the traditional **French look** in the garden. The darkest, deepest, purple flowers are mixed with creamy white and soft lemon as clever complements to a striking bicolour flower of lemon and plush purple with a dark face. A truly luxurious mix!

Range: Natural Beauty
RRP: \$4.50
Available: Vic, NSW, ACT, Qld from March

Pansy Violet Glow

Pansy 'Violet Glow' is one of the best new performers. This **highly floriferous** variety is an **F1 hybrid** and has small but abundant flowers on an extremely **compact** plant. You'll love the colour in mysterious shades of deep purple to light violet.

Range: Natural Beauty
RRP: \$4.50
Available: Vic, NSW, ACT, Qld from March

Viola Tiny Trio

Viola 'Tiny Trio' is a rambling, free flowering, **lightly scented** viola which produces a **mass of tiny flowers** in gorgeous contemporary colours of soft lilac, sweet marmalade and delicious plum. It will flower for many months and loves morning or afternoon sun.

Range: Natural Beauty
RRP: \$4.50
Available: Vic, NSW, ACT, Qld from March
