

Which tomato?

Which tomato - a big question for customers at tomato time when presented with such a confusing array of options.

Floriana has just simplified them all with a new range of vegetables - appropriately named

Gourmet Gardener. Each tomato in the Gourmet Gardener range has been given a clear reason as to why it is different from all the others - making the choice easy.

Gourmet Gardener is available nationally from August RRP \$2.80

this one because it's **Australia's favourite all rounder**
