

NEW RELEASE AUTUMN 2012

*f*LORIANA®

Natural Beauty

VIOLA China Blue

Viola cornuta

Compact, uniform plants
Small long lasting flowers

Viola China Blue is a free-flowering, lightly scented viola that produces a mass of tiny, true blue flowers with delicate white faces in a delightful colour combination reminiscent of the finest porcelain. **China Blue** plants have a uniform, mounded and compact habit making them ideal for bedding displays, borders, garden highlights, pots and window boxes.

Why not recommend combining **Viola China Blue** with other quality *Natural Beauty* annuals such as **Lobelia Snowball**, **Pansy Delta Yellow**, **Viola Petite White** and **Primula White Lace**?

FAST FACTS

Position: Full sun, part shade

Height: 15-20cm approx.

Plant: 15-20cm apart

Flowering: 6-8 weeks after planting

Tip: Larger blooms, deeper colours and more prominent petal markings occur during the cooler months. Deadhead to promote fresh blooms.
